

RIALTO UNIFIED SCHOOL DISTRICT

**CTE Engineering/Manufacturing/Construction Academy Instructor
Job Description**

DEFINITION

Be a part of our New Career Technology Education sequence in a state of the art facility serving high school students. Using advanced technology skills in the classroom, as well as plan, carry out, evaluate and supervise instructional activities with a special emphasis on raising achievement for a wide range of learners. Must be creative, collaborative, and a flexible teacher willing to innovate and implement Problem or Project-Based Learning. Explore team-teaching with other teachers, to collaborate with higher education faculty, and to commit to working on collaborative teams.
