

Rialto Unified School District

MAINTENANCE III - PLUMBER

PHYSICAL DEMANDS

The physical requirements indicated below are examples of the physical aspects that this position classification must perform in carrying out essential job functions.

- will frequently exert 75 to 100 pounds of force to lift, carry, push, pull, or otherwise move objects
- will involve walking or standing for extended periods of time, and may involve ascending and descending ladders, stairs, scaffolding, and ramps
- must be capable of perceiving the nature of sound
- must possess visual acuity and depth perception
- must be capable of providing oral information, both in person and over the telephone and other communication devices
- must possess the manual dexterity to operate equipment and use hand tools, and handle and work with various materials and objects
- exposure to hot, cold, wet, humid, or windy conditions caused by weather may occasionally be experienced

Reasonable accommodation may be made to enable a person with a disability to perform the essential functions of the job.

EXPERIENCE AND EDUCATION

Experience: Four years of experience, three of which must be within the past ten years, as a journey level plumber is desired.

Education: Verification of a High School diploma, a GED certificate, or a higher degree, supplemental course work or training in advanced plumbing methods and techniques or completion of a formal apprenticeship in the Plumbing Trade is desirable.

License Requirement : Possession of a valid California Motor Vehicle Operator's License.

Condition of Employment: Insurability by the District's liability insurance carrier. Finalists scheduled for an interview must provide a current DMV printout (not more than 30 days old) prior to the interview.
