Dear Instructor,

We are pleased to offer you access to the Rialto Unified School District computer network. To gain access, you must sign the other side of this form and return your site administrator.

Purpose

Access to the district network will enable you to view information about your students, explore thousands of curriculum related resources, and communicate with people in district and throughout the world. These resources will be valuable tools in your duties and responsibilities as a teacher in Rialto Unified School District.

District Internet and E-Mail Rules
